TERMS AND CONDITIONS

This is a mail, email, phone/fax and Internet auction sale. All bids are per lot.

ALL BIDDERS agree and accept and comply with all terms and conditions outlined in this auction. Auctioneer assumes all bidders have fully read and understand terms and conditions outlined below.

HOW TO BID

You may send us your bids by email, mail, fax, phone or you can bid on our website, either up to 1 week prior to the sale or by bidding online during the live session. Bidders may register in any of the following ways; by Internet registration, by mail or fax or Email, a full bid sheet or telephone bid must be completed and received by auctioneer by 5 pm the day prior to the auction.

The opening bid for all lots will commence at 10% above the second highest bid received or the consignor's reserve (whichever is higher). All mail bids received prior to the live auction will be lowered whenever possible (so don't be afraid to put down your maximum bid!!) All lots will be started at either the consignor's reserve or 50% of the estimate. Key Date and higher graded material generally will command a closing price close to or above the estimated price. If you place a bid of about 80% of the estimate you should have a good chance of winning the lot, while a bid of 100% of the estimate you will likely win the lot. All prices are in Canadian Funds. Bidding in this auction will be in Canadian Funds. Mail bids received from USA customers will be converted to CDN funds using the rate on the auction's date. All decisions by the Auctioneer are final and are made at the sole discretion of the Auctioneer. Colonial Acres Auctions is acting as an agent between the Consignors and the winning buyer. We the Auctioneer disclaims all responsibility and liabilities that may be connected to the sale of any items within our Auction. By agreeing to these terms you the bidder agrees to accept any damages, and or losses that may come from the purchase of an item in this sale.

NO Unlimited Bids or Buy Bids are accepted. The estimates given are taken from Charlton catalogues, Canadian Coin News, EBay sales, Canadian Coin News trends, Canadian Dealer Newsletter retail prices, Krause publications, and ICCS Cornwell, NGC, PCGS Census.

GRADING

Colonial Acres Auctions will attempt to represent all items to the best of their knowledge. We cannot be held responsible for our opinion provided to you in this auction or the opinion of any third party grading services represented in this Auction. Grading is subjective to personal opinions, in many cases Third party grading services will be represented in our auction, these grades may differ from professional opinions, and thus we assume that all bidders have fully viewed the items in the auction and accept the condition represented prior to bidding. We cannot accept responsibility and waive all liability resulting in financial losses, and or incidentals accruing from the sale of

any items, nor can we guarantee that items graded by third party services will grade the same if submitted to a different grading service or re-submitted to the same company. Returns of items will not be accepted.

IDENTICAL BIDS

In the event of an Identical Bid, the Auctioneer will give the winning bid to the first bid received.

BIDDING ADVANCES

In the case of multiple Mail bids or other non-floor Bids, the Auctioneer will open the live bidding to the floor at 10% above the highest received bid to the floor. In cases where no previous bids have been received the Auctioneer reserves the right to open the lot at a value to their discretion, typically 50% of the estimate is used in cases where no pre-set reserve price has been set by the consignor and Auctioneer. Any bids placed by a consignor and or an agent representing you on your own consignments are still subject to the full buyer's premiums and commission rates agreed by you and the auctioneer. All Bidders are held responsible for their own bids, any errors in calculations and or lots numbers is considered a final bid. Please double check your calculations and lot numbers before signing and submitting bid sheets to us. In the case of a discrepancy between bids after the hammer has fallen, all decisions made by the auctioneer are final and not negotiable, though in some cases that deemed necessary a lot may be re-opened and if you were the previous high bidder you may need to bid again to win the lot.
