

**NEW!**

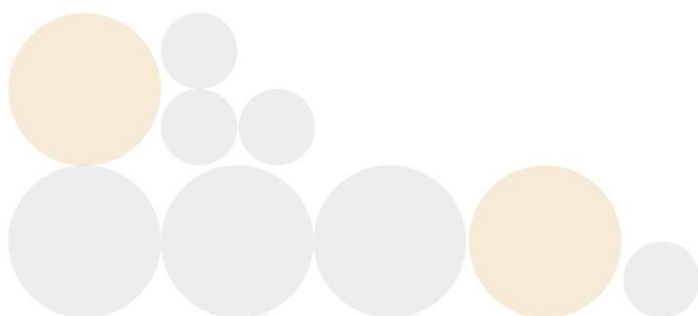

**2017 BULLION MAPLEGRAM25™  
(25 x 1 g 9999Au)**

Admired by investors throughout the world, the Royal Canadian Mint's Gold Maple Leaf (GML) coins are struck with the distinctive Canadian maple leaf design and are unsurpassed in quality.

The Royal Canadian Mint is proud to launch Maplegram25™, a composite of twenty-five GML coins each weighing 1 gram of 99.99% pure gold, packaged in a **divisible blister pack** wrapped in an elegant sleeve. Each coin has a distinct serial number, and the assay certificate on the sleeve certifies the purity and weight of the coins.
